25X1

after mid-Cotober 1953.

25X1

after mid-Cotober 1953.

The present report
25X1

tends to indicate that the 5th Mts Rifle Regt is also stationed in the
Infanterie Kaserne (Serial 1721). It is noteworthy that, in both reports,
however, a total of 35 x 76.2-mm guns were observed. Although this
number is highly exaggerated. the
